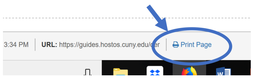
How to print this page

To print this page:

Click on the printer icon at the bottom of the screen



Is your printout incomplete?

Make sure that your printout includes all content from the page. If it doesn't, try opening this guide in a different browser and printing from there (sometimes Internet Explorer works better, sometimes Chrome, sometimes Firefox, etc.).

Alternative printing method:

If the above process produces printouts with errors or overlapping text or images, try this method:

1. Using the cursor, capture the contents of the entire page
2. Paste this content into a Word document or other word processing program
3. Print that document
